## 'RAJEEV-RAJAN LAD TRUST'

A trust namely 'Rajeev-Rajan Lad Trust' was registered as a Public Trust in 1984 with resources of a thousand rupees only. (Registration No.E-10130 Mumbai Dist.)

'Rajeev-Rajan' the twins, were the centre of love and affection of Lad family. After their untimely death in their twenties, the Trust named after the children, has been the focus of the activities of Mrs. Meera and Mr. Sitaram Lad.

The activity, called '**Rajeev-Rajan Adharghar**' embodies the memories of two children. This activity was started with the help of a donation from 'Rajeev-Rajan Lad Trust'. While working with Kushthrog Nivaran Samiti's old age home. Mrs. Meeratai Lad sincerely felt the need to start some activity for the physically dependent people, barring the age. '**Rajeev-Rajan Adharghar**' is situated on the land of Kushtharog Nivaran Samiti (KRNS) at the village Wakadi-Nere, near Panvel, which is about 45 kms. from Mumbai.

'**Adharghar**' literally means a place which gives support similar to one's home. From the beginning, '**Adharghar**' has been engaged in the mission of reducing the agonies of the inmates admitted herein. It is by now, known to and accepted by the people that the management of '**Adharghar**' has been making maximum efforts to make, Adhar Ghar as comfortable as possible to its inmates.

The persons, admitted here are looked after through thick and thin and are not sent back even if their illnesses are apparently incurable. As most of the inmates have prolonged history of illnesses and suffering, they need both physical & psychological support; so that they can spend their time in the '**Adharghar**' as happily as they can.

Special efforts have been made to select a team of dedicated workers who don't work only for money but want to accept this work as a mission of their life. The '**Rajeev-Rajan Adharghar**' has a team of such devoted and dedicated workers who look after the inmates day and night with immense care and love.

All the inmates in '**Adharghar**' have to make a bare minimum payment, calculated on 'No Profit No Loss' basis for the services rendered and facilities provided. The Trust, however, admits some patients in '**Adharghar**' free of charge, who have devoted their entire life for social services.

After managing & controlling activities of '**Adharghar**' for 14 years, the trustees have realized that, there are some other needs of the society which have to be urgently looked after on the priority basis.

**Such needs of the society are**

- i) With new busy life style of crowded, overpopulated cities, it is very difficult & very much costly to properly look after the old, aged people in small houses & the new generation finds it difficult to pay attention and spend the quality time with them.
- ii) There are many poor people in the villages, who need not to be admitted in the hospital, but need medical help and service for their illnesses.
- iii) The waiting list of the dependable patients is constantly increasing in '**Adharghar**' day by day.

The trustees, therefore, felt that the society will give full support to the venture, where,

- a) activity similar to that of '**Rajeev-Rajan Adharghar**' is started
- b) Old people are looked after with care and affection.
- c) Medical services are provided for illnesses of needy people.

Therefore, the trustees decided to find a suitable place, where the aforesaid services would be provided under a common roof in separate compartments.

The trustees, after visiting several places, ultimately purchased a piece of land, admeasuring 3 Acres in a village named Khairewadi, near Shikrapur on Pune-Ahmednagar Road. This place is about 45 kms from Pune city. The place is neither too much in the interior, nor in the heart of the city. So the place is supposed to meet the requirement of '**Rajeev-Rajan Lad Trust**' in full, for its new venture.

For this new project of '**Niramay Dispensary**' and '**Niramay Adhar Ghar**', a report with modest estimate of Rs 3 crore is ready with the Trust

**'Rajeev-Rajan Lad Trust' appeals to people & institutes to donate generously for this project.**

**'Rajeev-Rajan Lad Trust'**

All donations are exempted from Income Tax under Section 80G.
